# China Pakistan Marine Information (CPMI) Workshop

Nov 16, 2021 CUI Wah Campus

## About CPMI

- As part of the One Belt One Road initiative, College of Underwater Acoustic Engineering, Harbin Engineering University (HEU), China, is holding China Pakistan Marine Information workshop (CPMI) for the last two years. The workshop is mainly funded by the Ministry of Education China. It aims to strengthen the scientific and research collaboration between China and Pakistan in the field of Marine Information. The first CPMI conference was held in China in November 2019, where faculty and research scholars from different universities participated. The second CPMI conference was then virtually conducted in November 2020, where again members from both academia and industry participated.
- Thanks to the support of COMSATS University Islamabad (CUI), Wah campus, this year the workshop is planned to be held at CUI Wah Campus on November 16, 2021 under the joint MoU signed.

## Workshop Goals

- Collaboration between HEU and Pakistani experts in the field of Marine Information Technology and Engineering.
- Developing indigenous capacity in Pakistan in the field of Marine Information Technology and Engineering.
- Exploring student and faculty exchange opportunities between HEU and partner universities in Pakistan.

## Keynote Talks & Panel discussions

- Experts from academia and industry will participate as keynote speakers to discuss the current and future aspects of Marine informatics.
- Experts and participants will have a panel discussion to highlight areas of research related to marine information technology and engineering.

## Poster Competition

- In addition to Keynotes; the Call for Poster is open for researchers related to Marine Informatics and Communication Technologies (Underwater Wireless Sensor Networks).
- Winners of the poster competition will be awarded: 1st, 2nd, and 3rd place will be awarded 10k, 7k, 5k respectively (all in PKR).
- The last date for submission of posters is **October 30, 2021**.
- To submit your posters, please email your poster to [niaazam@gmail.com](mailto:niaazam@gmail.com) with the subject: **CPMI-2021 Poster Competition**.

## Organizers

Harbin Engineering University (CHN)  
<https://english.hrbeu.edu.cn/>

## Co-Organizers

- COMSATS University Islamabad (CUI), Wah Campus (PAK)
- National Key Laboratory of Underwater Acoustic Science and Technology (CHN)
- Key Laboratory of Marine Information Acquisition and Security of Industry and Information Technology (CHN)

## Venue

COMSATS University Islamabad (CUI), Wah Campus (PAK)
