**COURSERA PROGRAM**

**Students/Faculty members of Universities are eligible for Coursera program.**

Following are the main features of the Coursera program:

- Coursera has granted 550 licenses to COMSATS University Islamabad in total which is the 6<sup>th</sup> highest in number in public sector universities of Pakistan.
- The registration/license fee is PKR 4000.
- The student needs to complete at least 1 course in first 3 months of registration.
- In case, a student clears 3 courses from Coursera (75% or higher score in each course); the complete fee will be reimbursed.
- The student may attempt as many courses as they like within the 1-year period of license activation given that you meet the following requirements:
  - Complete at least one course within the first 3 months of receiving the Coursera license invitation.
  - Enroll in at least one course within 14 days of receiving the Coursera license invitation.
  - Actively learning at least one course on the portal (not being inactive for more than 90 days at a stretch.)
- Faculty members of Universities are also eligible.
- For further details visit [www.dlsei.hec.gov.pk](http://www.dlsei.hec.gov.pk)
- **Registration Process:** Student/faculty members are required to complete Coursera registration form from their login. Limited license are allotted to CUI, Wah Campus and will be distributed on first come first serve basis. Registration form is available at URL: [portal.cuiwah.edu.pk](http://portal.cuiwah.edu.pk).
- Keep visiting CUI Wah, website for further announcements in this regard.
